

Ladoix Rouge

Philippe PACALET

LOCALITY: FRANCE – Burgundy – Côte de Beaune

APPELLATION: Ladoix

GRAPE VARIETY: Pinot Noir

WINEMAKER: Philippe Pacalet

VINEYARD: Planted in the 1960s in Ladoix-Serrigny. The *Champs Pussuet lieu-dit* is located on a gently sloping hillside facing south-east. The soil is covered with limestone scree from the upper slopes of the Côte, red silts deposited during the ice ages and rocks derived from the alteration of the underlying geological layers. Density of 10,000 vines/ha.

VITICULTURE: Organic methods (not certified). Yield 40 hl/ha.

WINEMAKING: Grapes are pressed whole cluster. Fermented over indigenous yeasts. Punch-downs twice a day for 3 weeks. Then complete malolactic conversion in *pièce* (228L barrel).

AGING: Aged on lees for 12 months. Reductive style, without racking but some stirrings. Then aged for 3 additional months in *foudres*.

BOTTLING: No SO2 added.
